

Welcome!

This is the home page for your knowledge base space within Confluence. You can use your knowledge base to capture best practices and address common problems.

Next, you might want to:

- Create your first knowledge base article** - Click "Create" and select a "How-to" or "Troubleshooting" article.
- Customise the home page** - Click "Edit" to get started. Include useful information like what users can expect to find in this knowledge base, frequently asked questions and links to other resources.
